Praise

Ken Colson

Friday, Day 20

Give praise to the Lord, proclaim his name; make known among the nations what he has done. Sing to him, sing praise to him; tell of all his wonderful acts. 1 Chronicles 16:8-9 (NIV)

Your work is amazing! You deserve a commendation!

It is obvious that you labored diligently! We are cheering for you!

Give praise to God...for what He has done! So....what has He done for You? How about health? Children? What about your salvation?

King David was blessed, excited and almost hysterical with joy as the Ark of The Covenant was paraded to its new location. He danced with joy among the priests, leaders and anyone willing to offer praise to God for this breathtaking event! His example pictures our response to God for His promised Messiah.

We celebrate Advent with this same spirit of joy and excitement. We offer our praise to God for His gift of Messiah. Our singing in Advent should be full of praise to our God for His wonderful acts. Advent is preparation for a coming event. It should be electrifying as we realize God's amazing performance at Christmas!

Praise...God promised! Advent – God is coming to us.
